<u>Upward Basketball League 2006-2007</u>

Upward Basketball offers a break from the norm. The primary focus of Upward is to develop the Winner in EVERY child, not just a few. By keeping this goal in mind, we are able to build a league that promotes salvation, character, and self-esteem in all who participate through:

- Sportsmanship and competitiveness in proper perspective by not maintaining league standings in any division.
- Maximizing the family schedule by having only one hour of practice and one game each week.
- Equipping coaches and referees to minister by providing extensive teaching tools and resources.
- Providing opportunities to promote other church ministries to all participants and their families.
- Allowing the coach to focus on ministering to children and their families, instead of game strategy, by having a set substitution system where all players are allowed equal playing time and equal opportunity for improvement.

And much more. Pick up a brochure on the table in the Narthex!
